

# PERSONALIZED New You Program

## Patient Support...it's Personal

The New You Program is a personalized program for your patients with metabolic syndrome and cardiovascular disease. With this program, you choose the medical food and flavor options that best suit your patients' individual health needs. It's a great way to introduce your patients to science-based medical food programs that support long-term health.

The New You Program includes:

- 2 UltraMeal® Plus 360° medical foods (choice of flavors and rice, soy, or stevia options)
- 1 bottle of high potency fish oil softgels
- FREE shaker cup for easy mixing
- Easy-to-follow patient program guide with recipes
- FREE [patient-focused webinar](#) on the program
- Calendar to track progress through the year

Help your patients take a more personalized approach to improving their health.

Hurry! The New You Program ends March 31st. To order, call your Metagenics Representative or call Customer Service at **800-692-9400 (U.S.)** or **800-268-6200 (Canada)**.
